EU Health Programme 2008-2013

J. Actions: Caratteristiche

Joint actions are activities carried out by the Community and one or more Member States or by the Community and the competent authorities of other countries participating in the Programme together.

The authorities from countries participating in the second Health Programme will be invited to present proposals for joint actions i.e. this is not an open call such as the call for proposals for project, conferences and operating grants.

The priority areas eligible for financing as joint actions in 2010 are specified in the 2010 work plan.
