### Health: Call for proposals 2012

8 December 2011

2012 Work Plan of the Health Programme adopted on 1 December 2011 has been published today. It sets the annual priorities for implementation of EU Health Programme. Based on this decision, the Executive Agency for Health and Consumers (EAHC) is launching today the calls for proposals for joint actions, operating grants, projects and conferences.

#### More details about funding of joint actions, operating grants, projects and conferences.

The 2012 Work Plan gives more emphasis and resources to a focused cooperation with the Member States. The amount of € 8.950.000. will be dedicated to the funding of five **joint actions**.

The indicative amount for the call for **operating grants** for non-governmental organisations or specialized networks active in the field of Public Health is € 4.400.000. euro.

In comparison to 2011 the total indicative amount available for projects for **projects** has increased and is € 13.171.820. euro. This call for proposals is seeking for very specific projects in eight different areas...

Funds will also be made available for grants for **conferences** (800.000 euro).

#### Calls for tenders: to be published in the course of year 2012

The Work Plan 2011 foresees a significant number of **calls for tenders** for the provision of services, in particular preparation of surveys, analyses, training programmes and studies concerning public health.

The calls for tenders will be launched in the course of year 2012. In order to be alerted of when open calls for tender are launched, please sign-up to the mailing list by writing to [EAHC-HP-TENDER@ec.europa.eu](mailto:EAHC-HP-TENDER@ec.europa.eu).

### Workshop on Joint Action 2012

2 December 2011

On 5 - 6 December 2011 a Workshop for the Preparation of the 2012 Joint Actions will be held in Luxembourg. The aim of this workshop is to provide information on procedure and other topics to representatives from organisations and institutions expected to participate in a Joint Action published under the Calls for proposals 2012.

The Call for proposals 2012 was adopted on 01 December 2011.

The presentations of the workshop are available [here](#).

## Health Programme

### About the programme

The Executive Agency for Health and Consumers (EAHC) works for the European Commission to implement the Health Programme, which is mainly done through financing four types of different actions: conferences, joint actions and operation grants. The

## Call 2012: Projects

### How to apply

It is not possible to send proposals for projects that do not fit with the titles given in the application forms.

Please note that for the Call for proposals for projects 2012, the exact description of the project in the work plan 2012 needs to be followed. To this end one application form per project call is available.

If you would like to submit a proposal for a project you need to fill in and send an **application form**. Note that there is one application for each call for a project proposal with the file as given in the work plan 2012.

- ▶ Application form for project (**Adobe Reader 8.1.3** is required):
  - ▶ **Response coordination in the face of chemical events**
  - ▶ **The impact on air transport of health threats due to biological, chemical and radiological agents**
  - ▶ **Support to the European Innovation Partnership on active and healthy ageing**
  - ▶ **Local community including school based initiatives to prevent overweight and obesity among children and adolescents**
  - ▶ **Good practice and working methods to support healthy choices and enhance life skills to prevent alcohol-related harm integrated into regular youth activities or through peer support**
  - ▶ **Benchmark comprehensive cancer care that provides interdisciplinary treatment for patients, and yield examples of best practice in comprehensive cancer care**
  - ▶ **Preventing chronic diseases**
  - ▶ **Support for European rare diseases information networks**

Before doing so, please read:

# 2012 CALL FOR PROPOSALS FOR PROJECTS

## SECOND PROGRAMME OF COMMUNITY ACTION IN THE FIELD OF HEALTH (2008-2013)

### BACKGROUND AND PURPOSE OF THIS CALL

On 23 October 2007, the European Parliament and the Council adopted a Decision establishing a second programme of Community action in the field of health (2008-2013). This programme entered into force on 1 January 2008.

The programme replaces the previous Programme of Community action in the field of public health (2003 – 2008) which laid down the foundations for a comprehensive and coherent approach to public health at EU level contributing to the promotion of a high level of health and well-being throughout the Union.

The second Health Programme is intended to complement, support and add value to the policies of the Member States and to contribute to increased solidarity and prosperity in the European Union. The Programme's objectives are

to improve citizens' health security:

## Who can apply?

Call for Proposals 2012

# Projects

## GUIDE FOR APPLICANTS

### **3.2.4.2. Prevenire le malattie croniche**

Questa azione intende aiutare gli Stati membri ad elaborare e ad attuare politiche economicamente più efficaci in materia di prevenzione delle malattie croniche.

L'azione intende sostenere i progetti che esaminano l'efficacia economica di approcci integrati nella prevenzione delle malattie croniche, in particolare del diabete, delle malattie cardiovascolari e delle malattie respiratorie. Verterà sull'analisi dell'efficacia economica delle misure di prevenzione, di screening e di trattamento di malattie croniche. I progetti dedicheranno una particolare attenzione alla riduzione delle disuguaglianze sociali e all'impatto sulle popolazioni che presentano i più elevati tassi di mortalità prematura. I lavori saranno incentrati su un'analisi economica, in particolare dell'efficacia, e su stime per un ampliamento ai livelli nazionale e internazionale.

Contribuendo a ridurre la mortalità prematura e la morbilità, anche nei gruppi vulnerabili, questa azione contribuirà al perseguimento degli obiettivi indicati nella comunicazione COM(2009) 567 definitivo della Commissione, del 20 ottobre 2009, «Solidarietà in materia di salute: riduzione delle disuguaglianze sanitarie nell'Unione europea». Risponde inoltre alle conclusioni del Consiglio concernenti gli «approcci innovativi nei confronti delle malattie croniche nel quadro della sanità pubblica e dei regimi di assistenza sanitaria» adottati il 7 dicembre 2010 ( 2 ). Questa azione sarà
