Erasmus for All: starting points (1/2)

- ❑ Show **EU added value** – show it is better to spend a € on the European level than at home!
- ❑ **Relevance**: link policy and programme – show systemic impact by putting our money at the service of our policies

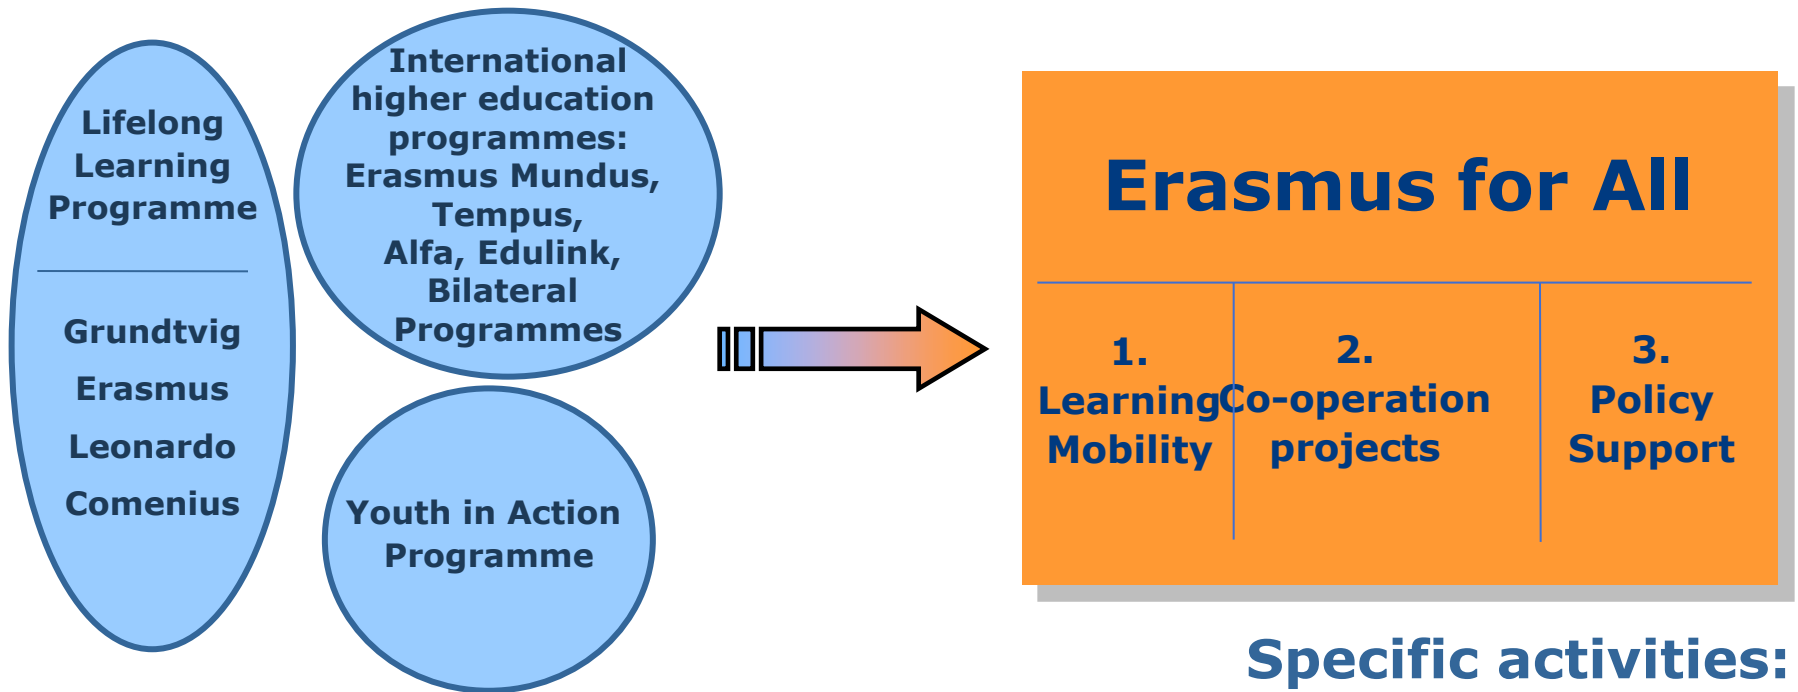

Erasmus for All: starting points (2/2)

- ❑ Sustained **impact** at different levels:
individual, institutional, systemic/policy
- ❑ **Simplification for end users**, rationalisation
- ❑ **Solid basis** but adaptation and innovation

A streamlined architecture: 3 Key actions

Existing programmes

A single integrated programme

Total budget: **€ 19 billion** over 7 years
(+ 70%)

Specific activities:

- Jean Monnet
- Sport

Key Action 1: Learning mobility of individuals (1/2)

- ❑ **Staff:** teachers, trainers, school leaders and youth workers
- ❑ **Students:** HE students (including joint/double degrees) and VET students
- ❑ **Masters Students:** additional opportunities via a new loan guarantee mechanism

Key Action 1: Learning mobility of individuals (2/2)

- ❑ **Youth mobility:** volunteering and youth exchanges
- ❑ **International dimension:** HE mobility for EU and non-EU beneficiaries

- ❑ **EU transparency tools:** valorisation and implementation
- ❑ **Policy dialogue** with stakeholders
- ❑ **International dimension:** Policy dialogue with third countries and international organisations

Jean Monnet: support for teaching and research on European integration

- ❑ **Institutional support** for College of Europe (Bruges and Natolin) and the European Institute of Florence
- ❑ **Competitive support** to other institutions based on excellence and added value
- ❑ **The Jean Monnet Chair** - a key component
- ❑ The creation of the **Jean Monnet Label of Excellence**

Support the European dimension of Sport

- ❑ Focus on **grassroots sport activities** (not the top professional level)
- ❑ **Tackle transnational threats to sport** (amateur doping, match-fixing, violence, racism, intolerance)
- ❑ **Develop European Cooperation in sport** (improving good governance, promoting dual careers for athletes)
- ❑ **Social inclusion** in sport and health enhancement

Budget allocation by type of action

- Learning mobility of individuals (63 %)
- Supporting innovation and good practices (25 %)
- Supporting political reforms (4 %)
- National agencies (3 %)
- Administrative costs (2 %)
