

Cancer screening and early diagnosis in Mediterranean area: a multicollaborative coordination and training approach

Giuseppe Salamina

Roma, 20 maggio 2014

il progetto

obiettivi formazione di alto livello su programmi di screening per decisori pubblici:

- definizione di priorità nella preparazione di Piani Nazionali per i tumori con inclusi i programmi di screening
- scelta tra le possibili strategie di prevenzione, in base alle evidenze, valutazione dei bisogni, priorità sanitarie, risorse e caratteristiche socio-economiche
- valutazione dell'appropriatezza dei programmi di screening già in corso

il progetto

metodi costituzione partnership e network:

- Ministeri salute italiano, francese e spagnolo
- Italia Centro prevenzione oncologica (Torino)
- Francia Institut national cancer (Parigi), Epidaure (Montpellier)
- Spagna Programma catalano di screening (Barcellona)
- Israele Centro nazionale controllo tumori (Tel Aviv)
- Malta Programma nazionale di screening (La Valletta)
- IARC Lione
- OMS Ginevra

il progetto

metodi identificazione partner mediterranei:

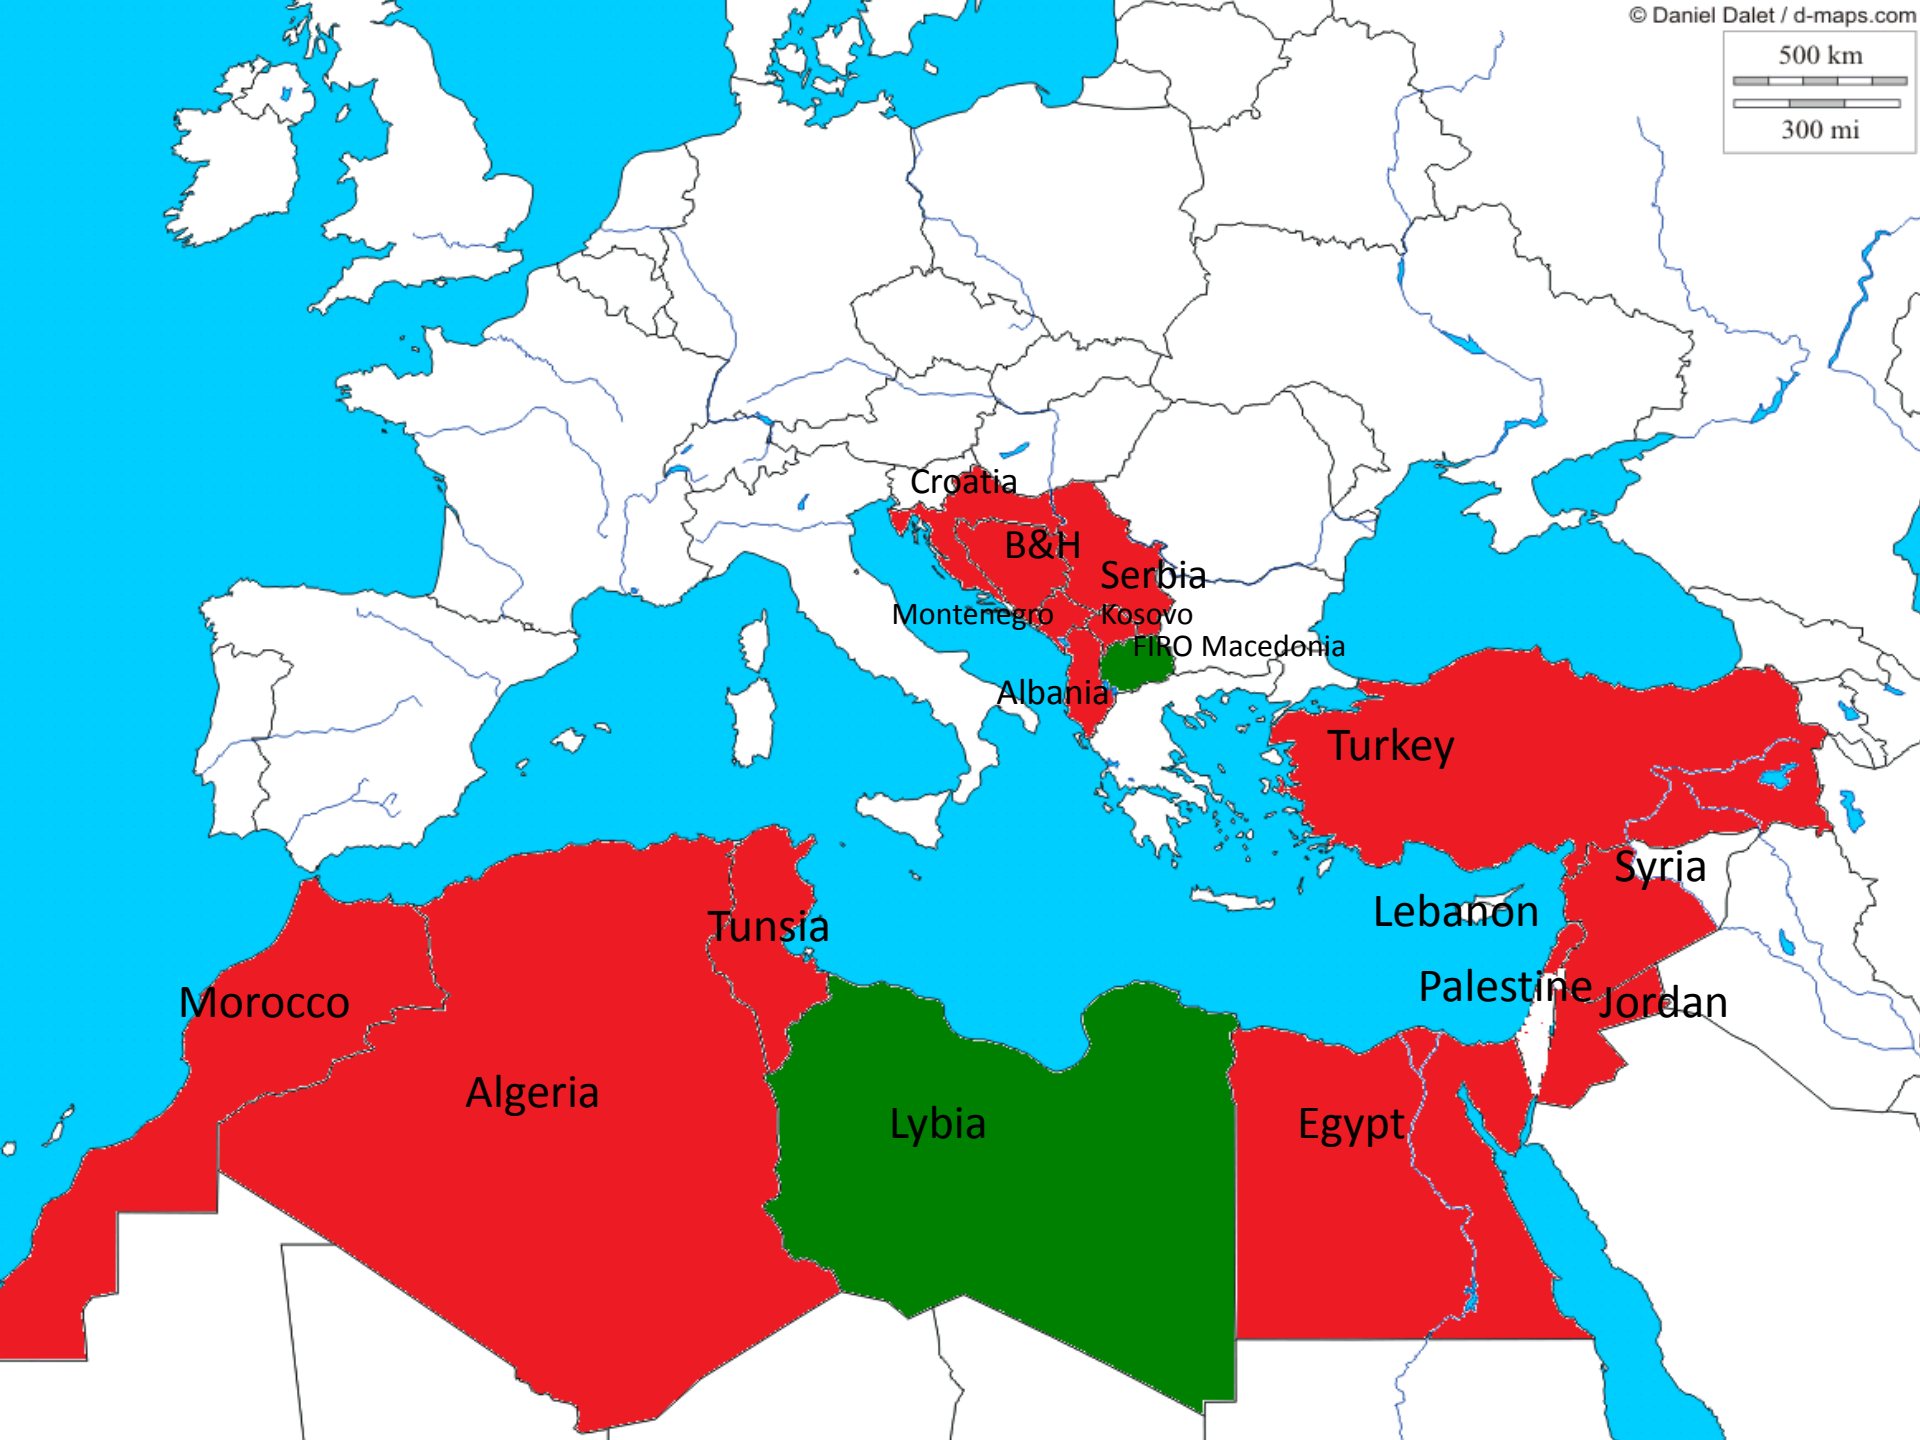

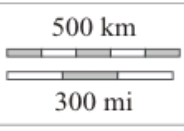

- collaborazione con OMS – Ginevra
- richiesta formale ai Ministeri della salute mediterranei
- coinvolgimento rappresentanti OMS presso i paesi
- coinvolgimenti sedi regionali OMS (EURO, EMRO, AFRO)

il progetto

metodi lavoro collaborativo, il gruppo di pilotaggio

- Rosemary Ancelle Park – Ministry of Health, Paris, France
- Christine Berling – National Cancer Institute, Paris, France
- Nadine Delicata – National Breast Screening Centre, La Valletta, Malta
- Josep Espinas Pinol - Catalan Cancer Plan, Barcelona, Spain
- Livia Giordano – CPO Piemonte Turin, Italy
- Marialuisa Lavitrano – Ministry of Health, Rome, Italy
- Joe Psaila - National Breast Screening Centre, La Valletta, Malta
- Gad Rennert – National Cancer Control Center, Tel Aviv, Israel
- Pasqualino Rossi – Ministry of Health, Rome, Italy
- Giuseppe Salamina – ASL TO1, Turin, Italy
- Helene Sancho-Garnier, – Epidaure Department of Prevention, Montpellier, France
- Nereo Segnan – CPO Piemonte, Turin, Italy
- Andreas Ullrich – WHO HG, Geneva, Switzerland
- Lawrence van Karsa – IARC, Lione, France
