JOINT ACTIONS

European Commission

Joint Actions – eligibility criteria

Under the EU4Health programme, direct grants may be **awarded without a call for proposals** to fund actions, if such grants are **duly justified**, and if those actions have **a Union added value** and are **co-financed by the competent authorities** that are responsible for health in the Member States or in third countries associated to the Programme

One competent authority or more per MS / participating country per JA

Inclusion of the proposed affiliated entities in the nomination process

Established in any of the following:

- a Member State or an overseas country or territory linked to it;
- a third country associated to the Programme; or
- a third country listed in the AWP;

Creation of a single consortium including all Member States and third country associated to the Programme

European Commission

Co-funding and exceptional utility

EU Co-funding: max 60 % of eligible costs. It can be increased to max 80% for actions with a clear EU added value which satisfy the following exceptional utility criteria, inter alia, when:

(a) at least 30 % of the budget of the proposed action is allocated to Member States whose GNI per inhabitant is less than 90 % of the Union average;

(b) bodies from at least 14 participating Member States participate in the action, of which at least four are Member States whose GNI per inhabitant is less than 90 % of the Union average.

Gross national income (GNI) per capita to be used as reference for the determination of the exceptional utility under the 2024 EU4Health work programme
