

EU4Health – Mental Health

Florina Telea

Head of Unit, HaDEA.A1

Rome, 29th October 2024

The EU4H programme 2021-2027

Annual Work Programmes with 6 types of grants

- Open calls for Operating Grants
- Open Calls for Action Grants
- Joint Actions of Member States authorities
- Direct Grants to Member States authorities
- Direct Grants to International Organisations
- Direct Grants to specific beneficiaries – i.e., European Reference Networks (ERNs)

How our projects contribute to the Communication on 'A Comprehensive Approach to Mental Health'

Integrating mental health across policies

- European Mental Health Capacity Building Initiative

Boosting the mental health of children and young people

- Child and youth mental health network
- "Child Health 360: prevention toolkit"
- Youth First Flagship
- Healthy Screens, Healthy Youth

Breaking through stigma

- Tackling stigma and discrimination

Fostering mental health globally

- Mental health support for Ukraine's displaced and affected people
- Supporting the dissemination of the Inter Agency Standing Committee Minimum Service Package on Mental Health and Psychosocial Support (MHPSS)

Promoting good mental health, prevention and early intervention for mental health problems

- European Depression and Suicide Prevention Initiative
- Healthier Together initiative – strengthen the mental health strand
- Access gate for people experiencing mental health issues
- European Code for Mental Health
- Developing joint ecosystem for brain research

Helping those most in need

- Protecting victims of crime
- Cancer mission: platform for young cancer survivors

Tackling psychosocial risks at work

- EU-level initiative on the psychosocial risks
- EU workplace campaigns

Reinforcing mental health systems and improving access to treatment and care

- Initiative for more and better trained professionals in the EU
- Technical support for mental health reforms across several sectors
