

AGENDA FOR THE LAUNCH OF THE TSI HEALTH HUB WORKFORCE REFORM PROJECT

19 NOVEMBER 2025,

MINISTRY OF HEALTH

LUNGOTEVERE RIPA, 1 ROME

The Italian Ministry of Health, with the support of ProMIS, will host the launch event of the project initiative *“The European Resource Hub for Sustainable Investments in Healthcare: A Case Study on the Health Workforce and a Planning Tool Using Artificial Intelligence – TSI Health Hub Workforce Reform”* on 19 November 2025 at the Ministry of Health headquarters, Lungotevere Ripa 1, Rome.

The meeting will officially launch the European project TSI Health Hub – Workforce Reform, presenting its objectives, expected outcomes, and innovations. Promoted by the European Commission with the technical support of the World Health Organization (WHO) and coordinated by the Ministry of Health, in collaboration with the Department for European Affairs of the Presidency of the Council of Ministers, Agenas, ISS, the Regions and Autonomous Provinces, and ProMIS, the project aims to establish a hub to catalyse strategic investments in support of the health and social care workforce. This initiative promotes reform and innovation processes, enhancing the coordination of EU funds to ensure the sustainability and resilience of the human capital within the Italian National Health Service.

The launch day will feature high-level institutional contributions, including the Minister of Health, Prof. Orazio Schillaci, representatives from the European Commission, the WHO Regional Office for Europe, regional authorities, and other national partners, to share perspectives and initiatives related to the project.

A networking lunch will follow the event.
