

WORKSHOP ON THE HEALTH INVESTMENT HUB

19 NOVEMBER 2025,

MINISTRY OF HEALTH

LUNGOTEVERE RIPA, 1 A ROME

The workshop will bring together key stakeholders from national, regional, and EU institutions to inform the work plan for Output IT.1.4 of the TSI Italy programme, *“The design and implementation of a Health Investment Hub,”* aimed at improving the coordination and strategic use of EU and national funds for the health workforce reform and system strengthening in Italy.

The meeting will have the following objectives: to establish a shared understanding of project output 1.4 (*Establishment of a Health Investment Hub*) and review lessons learned from related national and European initiatives, including projects led by the EU Observatory on investment strategies; and to facilitate a structured discussion to define a shared vision and process for institutionalising the Investment Hub as a central component of the TSI programme.
