

H-PASS

FINAL CONFERENCE

Celebrating 36 Months of
Advancing Digital Skills for
Healthcare Teams

After three years of dedicated collaboration across Europe, the H-PASS project (Health Professionals' & Digital Team Skills Advancement) is proud to present its final results. We invite you to join our online summit where we unveil the impact of our training programmes, share lessons learned from our 6 pilot countries, and discuss the future of digital health intelligence.

WHAT TO EXPECT?

Project Milestones: A comprehensive look at how we exceeded our training targets and empowered over 450 health professionals.

Expert Insights: Reflections from European health authorities and project leaders on the evolution of digital skills.

Future-Proofing: Strategic discussions on the sustainability and transferability of our training framework across the EU.
